Geometric Q2 Revenues up 9.5% sequentially, 76.6% annually.

Geometric Software Solutions rebrands itself as “Geometric”

MUMBAI, India. October 19, 2007. Geometric Ltd. (BSE: 532312, NSE: GEOMETRIC) today announced its Q2 results for FY 2007-08.

Financial Highlights - Consolidated results for the Quarter ended Sep 30, 2007

- Revenue from operations for the quarter was Rs 1225 million, a growth of 53.2% over the corresponding quarter of the previous year.
- EBITDA grew by 7.1% over the corresponding Quarter of the previous year to Rs 196.87 million
- Profit after tax was Rs 90.68 million as against Rs 100.9 for the corresponding quarter of the previous year.
- Earnings per share (EPS) for the quarter was Rs 1.45.

Business Highlights for the Quarter

Key wins and recognitions

- 8 new customers were added during Q2, taking the total number of active customers to 109.
- An agreement was signed with a leading air conditioning equipment manufacturer in the US to support the design and development support for their manufacturing operations.
- A contract was signed for PLM consulting for a major Hi Tech company in the Asia Pacific region.
- An agreement was signed with a leading power equipment manufacturer to support their global PLM program.
- Another agreement was signed with a large player in the Oil & Gas Industry for enterprise process analysis and implementation within their PLM system.
- An agreement was reached with a world leader in integrated technology solutions dedicated to the soft goods industries including Fashion, to set up a dedicated Offshore Development Centre (ODC) for enhancing their PLM product.
- Geometric was selected as one of the three winners of the SAP Manufacturing Co-Innovation Challenge for developing a product quality management applications that integrate business processes across manufacturing, quality assurance, ERP and PLM.

New Products and offerings

- Q2 saw the launch of two new products based on Design for Manufacturability Technology, namely DFM Express and DFM Pro by the Desktop Products & Technologies group.
- A Virtual Product Development Institute (VPDI) was set up to hire and train top talent from local institutes on specific computer-aided engineering technologies. The first batch of interns has been trained to develop computational models of full vehicles, which are used for performing NVH, durability and impact analysis.
- The Product Lifecycle Management BU has evolved industry specific solutions for Apparel and Oil & Gas sectors.
- An Embedded Systems Lab has been set up to develop competencies in embedded software development through Pilots/ Proof of Concepts, Research and Training.

Key Appointments

Keith Nichols joined the company as Vice President & Regional Director for Europe to spearhead the transformation strategy for the market.

Geometric rebrands itself across all business entities

As part of a long range strategic plan aimed at taking the company to a leadership position in global engineering, Geometric has embarked on a journey of transformation. Moving up from being solely a software services company, Geometric has significantly diversified its portfolio.

Recognizing the broader portfolio under which it operates, the Company has been renamed **Geometric Limited**, from the earlier Geometric Software Solutions Company Limited. There has been no change in the management or structure of the company. With this change, the use of the acronym 'GSSL' to refer to the company, is also ended formally.

The other companies in the Geometric group have been renamed as follows:

Location	Old Name	New Name
USA	Geometric Software Solutions, Inc.	Geometric Americas, Inc.
USA	Modern Engineering, Inc	Geometric Engineering, Inc
USA	Teksoft, Inc	Geometric Technologies, Inc
Singapore	Geometric Software Solutions Pte. Ltd.	Geometric Asia Pacific Pte. Ltd.
Romania	CBT Companies Romania SRL	Geometric Srl
France	Modern Engineering SAS	Geometric SAS
China	Modern Engineering, Inc.	Geometric China, Inc.

As a means to strengthen the brand under which the multiple businesses and subsidiaries operate, every one of them will now adopt the '**Geometric**' brand, to effectively project the synergies in competencies across engineering, PLM and technology.

The corporate website is now www.geometricglobal.com and the email domain address is changed to @geometricglobal.com.

END OF RELEASE

About Geometric

Geometric is a specialist in the domain of engineering solutions, services and technologies. Its portfolio of Global Engineering services and Digital Technology solutions for Product Lifecycle Management (PLM), enable companies to formulate, implement, and execute global engineering and manufacturing strategies aimed at achieving greater efficiencies in the product realization lifecycle.

Geometric was incorporated in 1994 and is headquartered in Mumbai, India. It is listed on the Bombay Stock Exchange (BSE: 532312) and the National Stock Exchange (NSE: GEOMETRIC) in India. For its consolidated operations for the year ending March 2007, the company recorded revenues of 3.95 Billion Rupees (85 Million US Dollars), with market capitalization of 6.2 Billion Rupees (142 Million US Dollars).

The company has two main business subsidiaries. Geometric Engineering, Inc., formerly Modern Engineering, Inc., headquartered in Rochester Hills MI, provides product engineering and manufacturing engineering solutions to the automotive and industrial sectors.

Geometric Technologies, Inc., formerly TekSoft, Inc., headquartered in Phoenix AZ, develops and supplies cutting-edge productivity solutions for manufacturing operations.

Geometric employs over 3000 people delivering solutions from 10 global delivery locations in the US, France, Romania, India, and China. The company is assessed at SEI CMMI Level 5 for its software services and the engineering operations are ISO 9001:2000 certified.

Geometric has a joint venture with Dassault Systèmes, 3D PLM Software Solutions Ltd., which was set up in 2002 with an equity participation of 70% and 30% respectively.
