For Immediate Release

Geometric earns recognition as a John Deere ‘Partner Level Supplier’ for 2007; is inducted into supplier ‘Hall of Fame’

Rochester Hills, MI, USA and Mumbai, India, June 16, 2008: Geometric Americas, Inc., a subsidiary of Geometric Limited (BSE: 532312, NSE: GEOMETRIC), and a specialist in engineering services and technologies was inducted into the supplier ‘Hall of Fame’ in the John Deere Achieving Excellence Program. Geometric was also recognized as a ‘Partner-level supplier’ for 2007 during the annual Achieving Excellence Banquet held at the River Center in Davenport, IA.

Speaking after the event, Mike Felt, Illinois Delivery Center Head, Geometric Americas said, “During the past five years, teams from the USA and Romania have worked closely on the John Deere projects. This award is a direct result of their work ethic and dedication to complete customer satisfaction.”

Hall of Fame status is given after a supplier attains ‘Partner-level’ recognition, Deere & Company’s highest supplier rating, for five consecutive years. Suppliers who participate in the Achieving Excellence program are evaluated annually in several key performance categories, including quality, cost management, delivery, technical support and wavelength, which is a measure of responsiveness. John Deere Supply Management created the program in 1991 to provide a supplier evaluation and feedback process that promotes continuous improvement.

About Geometric

Geometric is a specialist in the domain of engineering solutions, services and technologies. Its portfolio of Global Engineering services and Digital Technology solutions for Product Lifecycle Management (PLM) enables companies to formulate, implement, and execute global engineering and manufacturing strategies aimed at achieving greater efficiencies in the product realization lifecycle.

Headquartered in Mumbai, India, Geometric was incorporated in 1994 and is listed on the Bombay and National Stock Exchanges. The company recorded consolidated revenues of 4.86 Billion Rupees (121.6 Million US Dollars) for the year ended March 2008. It employs close to 3000 people across 10 global delivery locations in the US, France, Romania, India, and China. Geometric is assessed at SEI CMMI Level 5 for its software services and ISO 9001:2000 certified for engineering operations. For further details, please visit www.geometricglobal.com.
